Sadly, we once again joined the nation in a minute's silence on Monday. Our thoughts and prayers are with all those affected by the terrible fire at Grenfell Tower in London.

SCHOOL CLOSED: MONDAY 26TH JUNE

On Monday 26th June school is closed for all students for a Staff Training Day for Eid.

We would like to wish all our Muslim staff, students, friends and their families Eid Mubarak.

Y11 LEAVERS' ASSEMBLY

Although the GCSE exams continued until this week, 13th June was the last day in school for Year 11 before they went on Study Leave, and we celebrated their achievements in a Leavers' Assembly. We wish them all the best in the future and look forward to seeing them again on 24th August, when they receive what we hope will be the exam results they deserve.

SPORTS NEWS

Athletics and cricket have been dominating the extra-curricular activities in PE in recent weeks.

In Cricket, Years 7-10 have benefitted from the recent good weather, enjoying regular fixtures and getting better game by game, particularly in the younger age groups.

However it is the Year 10 Team who have had the most success, reaching the Manchester Schools' Cricket Semi-Finals on Thursday 22nd June, when they were narrowly beaten by Burnage Academy. Having batted first, we set them a total of 113 to chase, which they did with two overs to spare. Well done, Burnage – we'll beat you next year!

In Athletics the highlight has been a recent United Learning event held at Sport City, where Year 7 and 8 pupils from Accrington, Manchester and Stockport Academies competed against each other.

In a very close contest we finished runners up behind Accrington Academy. However, as a result of their performance the following students have been selected to attend an Athletics Gifted and Talented Training Camp at Sport City:

Baye Mbengue, Mohammed Cole, Rafferty Fletcher, Oluwashun Obisesan, Hugo Portulez Vemba, Hemedan Rostam, Kirsty Taylor, Olubukolami Tijani, Kiara Thomas and Davies Yeboah.

SPORTS NEWS (CONTINUED)

Our Year 9 softball team are looking very strong - they recently beat Cheadle Hulme High School 24-0 in their first game of the season! They are looking forward to challenging for the Manchester title during the KS3 Softball Tournament hosted by Parrs Wood High School.

NEWS FROM MANCHESTER UNITED FOUNDATION

Gemma Taylor and Mustafa Nadjafi were selected to represent Manchester Academy at the annual Foundation Pitch Day. This day brings students from all Foundation schools for an end of season celebration where they have the honour of playing a full game on the Old Trafford pitch.

Following the interview and selection process, Hiral Khan was chosen to represent the school as one of the 2017/18 season ball assistants. This means he will be on the side of the pitch for every Manchester United first team game, potentially passing the ball to some of the world's best players.

SCHOOLBOY CHAMPION!

Last week we reported that Ali Aldhufairi in year 7 is set to box for England, after taking the title of British School Boy Champion.

Ali, who is in Year 7 is a member of the Longsight Boxing Club.

Here he is in all the glory of his golden gloves!

EMPLOYABILITY NEWS

MA Leavers Return for Business Leadership Talk

A group of this year's Year 11 leavers returned to Manchester Academy this week to get an insight into a unique programme aimed at getting young people into accountancy. The ten former students, each of whom has an interest in working in the finance sector, attended a presentation by James Hinton of Leadership Through Sport & Business (LTSB).

LTSB's aim is to enhance the social mobility of young people who don't benefit from having family connections to Blue Chip Companies. James explained the difference between a job and a career, stressing the importance of pursuing a career which links to personal interests, is aspirational and motivates.

LTSB focuses on accountancy careers due to their rewarding nature and the profession's need to increase diversity. The programme also links with Manchester City Football Club, as many of the skills developed in sport such as leadership, communication and teamwork are highly relevant in accountancy.

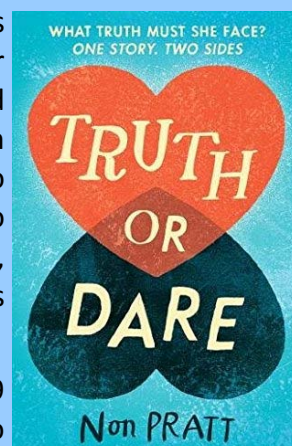

LTSB's programme kicks off with a five month unpaid pre-apprenticeship followed by a 15 month paid Apprenticeship with world class companies. The pre-apprenticeship covers the basics of accountancy, teaches employability skills and offers enrichment.

The 15 month paid apprenticeship is in partnership with top employers such as BKL, Bayerische Landesbank, Carpetright, Close Brothers, Colgate Palmolive, Deloitte, EY, Grant Thornton, Johnson Matthey, Macquarie Group, NEX Plc, Redington, Rolls Royce, RSM, The Co-operative Bank, Zenith Bank and many others including ongoing personal and professional development by LTSB.

Overall, the initiative offers an innovative route into what is considered by many to be one of the most prestigious careers.

VISIT BY FAMOUS AUTHOR, NON PRATT

Which is braver—telling the truth or taking part in a dare? Author Non Pratt put MA students to the test when she visited us to discuss her new book. Called 'Truth or Dare', the book is a powerful and moving novel about braver from the Guardian's 'Writer to Watch', telling the story of two people and asking the question, how far is too far when it comes to the people you love?

During the visit, Year 8 and 9 pupils met with the author to explore the issues raised in the book and in particular, which is more brave—telling the truth or committing to enact a dare. The students put their theories to the test, taking part in their own 'truth or dare' game, with activities ranging from

pretending to be a horse to singing happy birthday whilst balancing books on their head! Finally, after listening to an extract from Non's book, those taking part went away with a signed copy of the book and the inspiration to write their own material. Principal Andy Griffin commented on the visit:

"Our students had a fantastic time, which was reflected in the enthusiastic comments made to Non during the workshop session. A massive 'well done' to our Year 8 and 9 students for being such fantastic role models and to Non for taking the time to visit the Academy."

Non Pratt is the author of the acclaimed books 'Trouble' and 'Remix'. After graduating from Trinity College Cambridge, she became a book editor at Usborne, working on the bestselling 'Sticker Dolly Dressing' and 'Things to Make and Do' series.
