

YEAR 7 BIG PICTURE SPANISH

| <p><i>Autumn 1</i><br/><i>Weeks (8 weeks)</i></p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         | <p><i>Autumn 2</i><br/><i>Weeks (7 weeks)</i></p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        | <p><i>Spring 1</i><br/><i>Weeks (6 weeks)</i></p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |
|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <p><b>Content– Me presento</b></p> <p>During this first unit, students are going to be able to understand the basic of the Spanish language. They will be given an introduction to the Spanish speaking world. Students will be able to introduce themselves in the target language, as well as express how they are feeling, their age and where they are from. To promote the target language in the classroom, classroom commands and requests are going to be taught to achieve the maximum use of target language. (1.1)</p> <p>Days of the week, months and seasons will also be taught while students learn how to say their birthday in the target language. Linked to their birthday, students will need to learn numbers up to 31. (1.2)</p> <p>Another important part in this first unit teaching students how to express their likes and dislikes, by learning vocabulary related to activities, connectives, time phrases etc. (1.3)</p> <p>Finally, the grammar points taught during this unit will be: the verbs <i>ser</i>, <i>tener</i> and <i>me gusta</i>, present tense of regular verbs in the first and third person singular, and some common irregular verbs.</p> | <p><b>Content– Mi familia</b></p> <p>During this second unit, students will learn about family. Students will be able to name their family members and count to 100 (2.1) In order to speak about family students will need to learn about physical and character description, including colours and a focus on adjectival agreement. (2.2)</p> <p>Another important part in this unit is going to be related to pets. Students will be able to learn about different animals and their characteristics and expressing future wishes about the animals they would like to have in the future. (2.4)</p> <p>Lastly, students will express what other people likes and dislike, by learning vocabulary related to activities, connectives and time phrases. (2.3)</p> <p>Finally, the grammar points taught during this unit will be: <i>hay</i>, <i>a (x) le gusta</i>, <i>preferir</i>, and present tense regular and irregular, mainly the third person singular. Adjective agreement will play an important role during this unit.</p> | <p><b>Content – Mi colegio</b></p> <p>During this third unit, students will learn about school. School subject vocabulary will be taught. In order to give a proper vision of the timetable, students will learn how to express the time in Spanish. Students will also revise days of the week. Furthermore, students will learn how to express likes/dislikes. As well as this, students will learn how to justify them, and use connectives and quantifiers. Students will learn how to make simple comparisons between school subjects.</p> <p>Students will learn how to describe their teachers in terms of their physical attributes and personality. (3.2)</p> <p>Another important part in this unit is about school description and its facilities. Students will learn how to describe their school and say what there is or there is not, as well as, saying what they would like to have in their school. (3.3)</p> <p>Finally, the grammar points taught during this unit will be: present tense, <i>“ser”</i>, <i>“estar”</i>, <i>“tener”</i>, <i>“hay”</i> <i>“me gustaría”</i> and comparison, and a recap on adjectival agreement.</p> |

|                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             |

|                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |
|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <p><b>Content– Mi colegio/ Donde vivo</b></p> <p>During this term, two different units will be taught. The last part of unit 3 “Mi colegio” and the first part of unit 4 “Donde vivo”</p> <p>To finish with unit 3, students will learn about activities that they can do after school or during break time. (3.4 and 3.5). Students will learn how to use <i>voy a + infinitive</i> in the near future tense to discuss this.</p> <p>To start with unit 4, students are going to learn key locations and things around them where they live in Spanish. Students will use prior knowledge of opinions in Spanish to discuss their likes and dislikes.</p> <p>Another important part of this unit will be the description of the house, including the type of building, the size, and the kind of rooms they can find in their house. (4.2). Linked to this previous part, students are going to describe what they can find in their rooms, adverbs and prepositions of place will be taught during this part. (4.3)</p> <p>Finally, the grammar points taught during this unit will be: present tense, “estar”, “vivir”, “me gusta”, “prefiero”, “hay”,</p> | <p><b>Content –Donde vivo/revision</b></p> <p>During this term, the last part of unit 4 “donde vivo” will finish. Once this happens, revision before the end of the big test will take place.</p> <p>To finish unit 4, students will learn about what they can find in their town, different town facilities. Furthermore, students will be able to describe what they can or cannot do in their town. (4.4)</p> <p>As well as this, students will learn how to recognise and form the conditional tense, and learn how to say where they would like to live.</p> <p>The grammar points taught during this unit will be: “hay”, “poder” “querer” “me gustaría” and present tense.</p> <p>To get ready for the big test, revision will take place during this term. The four units will be revised, as well as all the grammar points learnt through the year. Finally, to get ready for the end of year test, students will do some reading, writing and listening activities.</p> | <p><b>Content – La consolidación</b></p> <p>During this term, the main focus will be consolidating all the knowledge students have acquired during the whole year. The focus will be vocabulary and grammar, as well as some speaking and listening activities.</p> <p>Groups activities will take place, to promote the practice of the role play (S) and the use of the writing in the target language.</p> <p>The grammar points during this unit will be: present tense, both regular and irregular, “ser”, “tener”, “hay”, “querer” “poder” “estar” “gustar” “preferir” and conditional.</p> <p>Following assessments and feedback, students will complete some cultural lessons to maintain engagement. Students will learn about different festivals in Spain and develop their speaking skills by participating in debates around these festivals.</p> |
