Note:

1. CALs will receive a Big test timetable from CSH/SLA four weeks before the Big Test window.

2. CALs to check the timetable and notify CSH/SLA if there are any issues with the dates, venues, times and days etc.

3. The timetable will be published to all parents and students, students all receive a paper copy during form time.

4. There will be just one window for each year group per term for the Big Tests which is slightly different to last year. This is to make the assessment model straighforward and data collection more efficient and trouble free.
