P4: Stars of the Week

YEAR 8 STUDENTS SET UP A DIGITAL BUSINESS

Our Year 8 students took part in a Rediscover project with Lloyds Banking Group at UKFast on Tuesday with Ms Rashid. They were challenged to set up a digital business and were up against five other high schools, including Stockport Academy.

The event was hosted by Lloyds Bank to encourage and enthuse students about the impact of technology on business.

STUDENTS DEVISE GREAT SOCIAL ENTERPRISE IDEA

This was the first time we had attended this annual event, finishing third overall.

Ms Rashid said students behaved exceptionally well and were great ambassadors for Manchester Academy.

“They really enjoyed working as a team and developing a great social enterprise idea. They came up with an App which would allow the user to order healthy ingredients for easy ‘Recip-eze’ and for every 10 meals ordered, two meals would go to a homeless charity in Manchester.” explained Ms Rashid.

YEAR 11 BOYS WIN QUARTER FINALS OF MANCHESTER CUP

Congrats to our Year 11 students who beat Chorlton High School 6-2 in the finals of the Manchester Cup. They came back from 1-0 down at half-time to win the match. Mr Sealy named Hilal as Man of the Match and he gave a special mention to Souhail for scoring a wonder goal — well done team!
Our Year 8 students had fun making chicken wraps in their Hospitality class with Mrs Stack and Ms Hawthorne.

They learnt to use eggs for binding and coating by making breadcrumbs for chicken goujons which they seasoned with salt, pepper, chilli and curry powder.

Najla Omar said: “I never knew how to cook chicken before. We learnt how to make sure it was cooked properly.”

Maria Scott said she might try making the recipe at home as well.

Shannon Foday added: “I really enjoyed making the chicken wrap and I’m looking forward to eating it.”

Mrs Stack said the class were a great group and they had done really well.
Well done to this week’s Stars of the Week.....
