Principal's Message

Dear Parents and Carers,

This week we have been interviewing for the senior student leaders in Year 11, we had over 60 applications from the year group which is incredible.

Interviewing the students was a huge privilege, they demonstrated such maturity and ambition. We asked them who inspired them and so many talked with real passion about their families and how your ambition and love motivated them.

The interview panel was often moved by their answers and it was a privilege to work with such an impressive group of young people. The students all talked with passion and pride about the changes they have seen in the Academy and how this has supported them to excel.

I always say to our students that no one will ever dismiss our school and our community because of the talent and pride that is present in Manchester Academy. This week's selection process demonstrated this powerfully.
