

Dear Parent/Carer

We are delighted to invite you to the **Y9 Options Fair and Parents' Evening on Thursday 12th Feb 2026**, a key milestone event in your child's education. The event will start at 4:00pm and finish at 6:45pm.

The GCSE Options process is pivotal to your child's academic progress throughout Year 10 and 11 and beyond Manchester Academy. This evening combines information regarding the range of subjects we offer and academic feedback on your child's current progress.

On your arrival at the event, you will be provided with an information sheet which will confirm your child's teachers and their locations during the evening. It is vital for you to attend this evening with your child so you can support informed choices regarding options. You will be able to meet with your child's teachers, and you can ask them questions about your child's progress, their strengths and areas to improve. The teachers can also explain what their subject is like at KS4 and whether it's a good choice for your child.

Prior to the evening, your child will receive their Options pathway booklet which will explain the Options process and timeline. Ms Latif, Vice Principal, will be available during the evening to answer any questions.

Below is an outline of the events that you will be signposted to during the evening.
